**Other comments**

We were extremely encouraged by the many positive comments that were submitted, many of you indicating that you highlight the site to colleagues and students. Please continue to do so and also recommend purchasing PCF and SMAC, as the sale of these books help fund the site to keep it free access. Comments included:

"Goes from strength to strength. Well done. An excellent resource for primary care"

"I am grateful for this website. The experience of those who frequently write enriches my knowledge"

"I truly feel this site is fantastic! It has been a wonderful resource and a great aid in teaching my staff"

"I think this site is invaluable. I use it regularly to keep in touch with what is happening and also learn from other practitioners' experiences. Thank you and keep up the good work"

"A truly world-wide network which provides an excellent forum".

Thank you for valuable feedback suggesting ways in which we could help improve the site further, we will consider the incorporation of your suggestions. Please continue to let us know of anything you think we could improve by sending an email to [hq@palliativedrugs.com](mailto:hq@palliativedrugs.com).
