Good	34	26%
Average	0	0%
Poor (needs improvement)	0	0%

We were very encouraged by the number of positive comments which included:

"Invaluable resource in so many ways for evidence based practice and anecdotal evidence from colleagues via bulletin board. I can't imagine life without it!"

"Being very new to palliative care I have found the website an extremely valuable tool."

"I use this resource as a medical student and I find the pharmacology of the drugs the most useful thing as well as reading updates and the latest news! Thanks."

Thank you for your support. Please continue to send your suggestions to [hq@palliativedrugs.com](mailto:hq@palliativedrugs.com).
