Q9) Further comments

We were very encouraged by the high proportion of positive comments which included:

"I have had palliatedrugs.com as a favourite now for many years and will continue to do so. It is just one of the most useful tools in my daily work as a palliative medicine physician."

"I find this resource extremely informative and often browse and read for my own development as a Palliative Care Clinical Nurse Specialist."

"I use it often and keep recommending its use to all of my colleagues. Hopefully, we will buy a subscription for the team."

"Love the weekly Bulletin board too!"
