

# IMPLEMENTING ADVANCE DECISIONS TO REFUSE TREATMENT CONFERENCE

## Next Steps: Suggested Priorities for Organisations

Issues	Risk (if not achieved)	Your Action?	Target Date	Nominated Lead
1. Agree Local ADRT Policy <sup>1</sup>				
2. Agree local proforma <sup>1</sup>				
3. Agree Patient information Leaflet <sup>1</sup>				
4. Review DNAR policy				
5. Develop and implement an Education and Training Strategy for staff <sup>1</sup>				
6. Incorporate ADRT within Governance Framework				
7. Implementation of local ADRT Policy				
8. Communication / Documentation Strategy <sup>1</sup> Eg. Case note / Care / Electronic record Other staff Other stakeholders eg EMAS, NHS Direct				
9 Local Public Awareness / Information Strategy				
10. Undertake evaluation of clinical effectiveness of ADRT implementation process <sup>1</sup>				

<sup>1</sup> We suggest organisations will base action plans on Mid Trent Cancer Network ADRT Specialist Guidance to maintain consistency across the East Midlands region
