

Special New Year offer '2 for the price of 1'

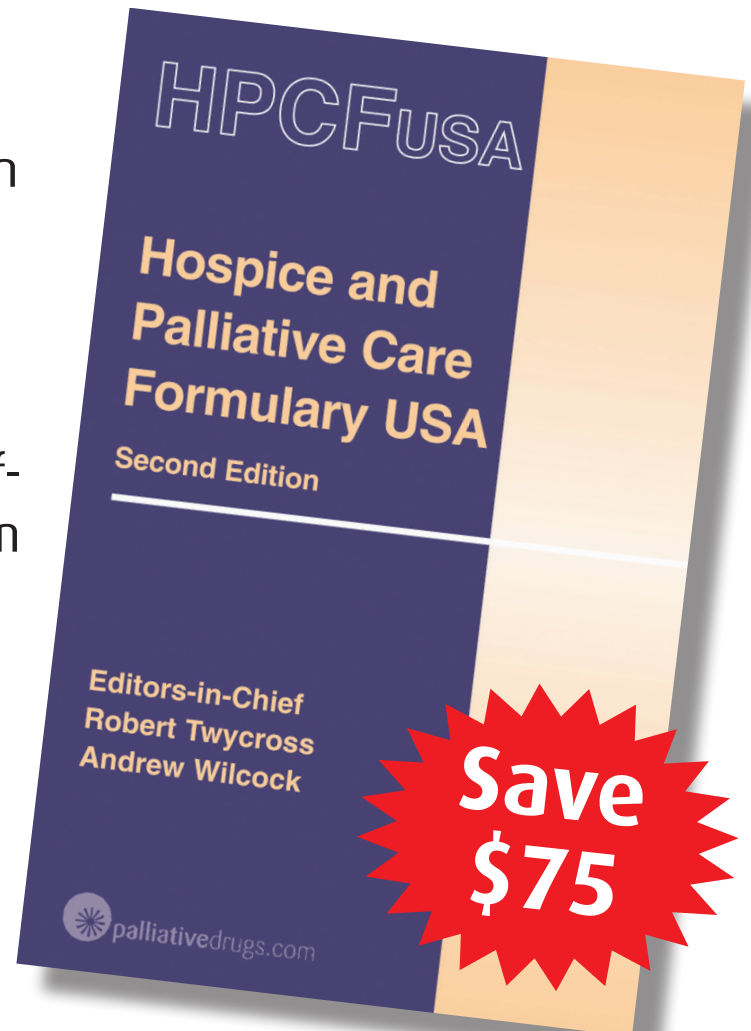

Palliativedrugs.com is pleased to announce this special '2 for 1' offer to members of the American Pharmacists Association, valid through January 2011.

One of the many unique features of **HPCFusa** is the inclusion of 'off-label' indications for drugs used in hospice and palliative care. This distinctive aspect alone makes **HPCFusa** an essential resource, both for pharmacists and your medical and nursing colleagues.

To order, go to:
[www.atlasbooks.com/
marktplc/02409.htm](http://www.atlasbooks.com/marktplc/02409.htm)

- Click the To Order button
- Enter 2 copies (or multiples of 2)
- Enter code **APA** in the Discount Code box

Be assured, our distributor Atlas Books will apply the '2 for 1' discount AFTER your credit card has been processed.

'Provides just about all you need to know about prescribing medications in palliative care.'

- International Association for Hospice and Palliative Care

'I really like this book. It's the single most practical & detailed HPM drug resource I know of, and use all the time.'

- Drew Rosielle MD

'When we know about a resource that can impact your everyday palliative care work, we want you to know about it.'

- Christian Sinclair, MD, FAAHPM, Editor Pallimed
